

PROJECT STATUS REPORT

Project Name	Humanities and Engineering Interest Group Website
---------------------	---

For Week Ending	1st March 2024
------------------------	----------------

Project Status	Yellow
-----------------------	--------

Status Description	The status is yellow as we designed only 4 pages out of 5 that was planned. The status would have been green if we knew how to integrate all the pages and design the pages that were planned last week.
---------------------------	--

Activities—During the Past Week

Bhargav Taraviya - Designed and implemented the Home page and Contact us page in our website.

Nihal Sekhar - Work in progress - to design and implement the Community page in our website.

Poojan Patel - Helped in designing the Home page and Contact us page in our website.
Work in progress - to design and implement the Sign In and Sign Up page in our website.

Activities—Planned for Next Week

Bhargav Taraviya - Explore better widgets and plugins for our website and start with the design of the Member Profile page.

Muhammad Israr Khan - To design and implement the Find our Member page in our website and explore good widgets and plugins.

Nihal Sekhar - To design and implement the Community page in our website and explore good widgets and plugins.

Poojan Patel - To design and implement the Sign In and Sign Up page and explore good widgets and plugins.

Project Issues

1. Widgets and plugins were really hard to find and learn how to use as most of the good ones were paid.

Project Changes

1. Changed the theme of our website, as we were able to find a better theme. (elearning theme

to travel solution theme).
